

Beryl Greenstein

April 26, 1936 - September 28, 2018

The family of Beryl Greenstein announces with loving sadness his passing at age 82, of natural causes, on September 28, 2018. Beryl served in the Air National Guard and then went on to careers in the vending machine and floor covering businesses. He dedicated his life to hard work and to his family; cherishing his wife above all others and raising his children to be passionate, to act with integrity, and to have great senses of humor.

Even in passing, Beryl will continue to be adored by Rozanne, his wife of nearly 60 years; and his children, Jodie, Gregg, and Andrew; along with his son-in-law, Michael; and his daughters-in-law, Robin and Belinda. Beryl's flame will also continue to burn brightly in the hearts of his five grandchildren, Justin, Emily, Amanda, Baiden-Melody, Kayden-Harmony; and in his grand-puppy, Skylar. Unforgettable memories of Beryl will also live on with his brother, Abe; his brother-in-law, Michael; and his sisters-in-law, Dena and Karen.

“ I am Beryl Greenstein's daughter. I miss my father love and think of him almost constantly using his advice remembering it and deciding to try to use his advice and if not using it wishing he was giving it me one more test. He taught me to never give up on what I believe in or want to do or speaking up and not to lie
I am definitely a Daddy's girl. I love my Dad and wish he did not have to suffer. He always made sure my mother brothers and I but we need to and usually what we wanted. Hard working man Billy Harvey ever ever did not go to work always make sure my mother will be taken care of. He couldn't give up until he really knew she would be ok .
My mom is living near my brother in lake country and closer to husband and I

She is really trying to live without him and doing well in many ways. Proud of my mom and love her very very much.
